## TOR-NIDO Couple Leave on Their Second Honeymoon After Silver Party

By VERA C. WRIGHT

Comparing notes with other families in our community we discovered that their youngsters had also learned to swim by attendance during the past few years at the "Learn to Swim" program sponsored by the Kiwanis. We all decided we were indeed grateful to this fine organization and would tell them so the very first chance we get!

The front lawn of the 18229 Roslin Ave. Vernon Burch chalet was a fairland of happiness with dainty tables and umbrellas, pastel colored punch set on linen white tablecloths with white napkins with the names Helen and Vernon written in silver on them, thereby disclosing the fact that they were celebrating their silver anniversary last Sunday, July 22. An open house was held in their honor from 2 o'clock until 5, then the happy twosome departed for Sacramento for a second honeymoon.

It seems unbelievable that you can spend eight hours in Disneyland and not see everything, but it is true. Yours truly and her family had the pleasure of going there last Tuesday and we have decided to go once again at Christmas vacation time. I'm hoping that by then my stomach will have returned to its original place as I lost it while riding on the Skyway trip!

Mr. and Mrs. George Thomas entertained with a barbecue honoring their niece, Jane Sumner, from Idaho. This affair was just the beginning, for everyone of the 10 couples in attendance to have a tea, dinner, barbecue, cocktail party, swim party and even a motorboat trip party for the charming miss. Not only that but every host is providing a different but very handsome male escort for Jane. In speaking to Jane she doesn't mind having several evenings at home with the good-looking lads!

An evening with just a touch of a sophisticated air was decided on by the young set of Jane Dillon, Mark Turner, John Morris, Elaine Sparks, Alice Johnson, Dick Martin, and Henry Armendariz when they met at the home of Betty Hunter for a steak dinner. They proceeded on to the Carthay Circle where they enjoyed viewing Shirley Booth in "The Desk Set" and then returned to the Hunter home where they danced until the wee small hours. If you're wondering what their parents had to say, well, they had all sat in on the planning!

Jack Craig is looking forward to his birthday next year. He just celebrated his 33rd birthday last week and, as it was on a Sunday, daughter Cindy helped carry in the breakfast tray for the surprised father, then son Jackie held out dad's clothes while he dressed. He was then helped by both youngsters to his contour chair where he spent most of the day. Jackie lit his cigarettes while Cindy hunted up the Sunday Torrance HERALD and other papers while mother Dee provided cold lemonade. Luncheon time came all too soon but soon Jack was provided with a trayful of food and drink. Much to his surprise after a long nap in the afternoon the children were trying to get him out to the patio and after pinching, pulling, and jumping for half an hour they succeeded in doing so. It seems that Mr. Craig almost fainted for that was the first time he had ever had a surprise party and 36 guests jumped up hollering "Happy Birthday" as soon as he opened that back door. It's no wonder that papa Jack, after a hot turkey buffet dinner took over a half hour to say good-night to his two precious cherubs, Cindy and Jackie. They certainly can keep a secret and the beautiful young miss is only 5 while Jackie is all of 7!

Mrs. Charles Ludlow was also in for a surprise on her birthday for she not only had a surprise dinner party sprung on her but she was presented with the piano that she has longed for since she was a child of 8. Mrs. Ludlow permitted me to say she is now 52, not only that but a very happy 52.

Did you chance to note the picture of lovely Jeanette Coe we featured in last week's issue of a Sunday paper? This is one young lady who never need worry about not having a date!

Lucky Donnie Jackson not only had his tonsils removed so he can feel better but is receiving a surprise gift every hour on the hour for an entire week. All his relatives, nice neighbors and fine friends are taking part in this project and are making a 4-year-old boy very happy!

Indulging in the charm of the Carlsbad hotel in Laguna Beach for the past week were Mr. and Mrs. Donald Morley and Mr. and Mrs. Donald Morley and Mr. and Mrs. Gene Nielsen. This was preceded by an evening at the Hollywood Bowl to enjoy Cole Porter night.

Mr. and Mrs. James Allen just concluded their brief visit with the Arthur Donner family. Although Mr. and Mrs. Allen were going to stay the entire summer, they had been here two days when they received word from New York that they had visitors from Europe. They hope to return to Torrance next summer.

Congratulations to Deborah Collins whose birthday present was a matched three-piece set of white leather luggage and a diamond-studded wrist watch. Well, it isn't every day that one becomes 21.

Mr. and Mrs. Harry Smither left on a motor trip to San Francisco and places thereabout and will return to Torrance the first week of September. I have been promised post cards so an eagerly looking forward to them. My husband informs me if this continues he will have to build me a room for my postcards and souvenirs!

The Long Beach Pike wasn't the same after being visited by Billy Wright and Richard Davis. These two young men about town are really living up their summer holiday!

How would you feel if out of a clear blue sky your husband brought you home the largest orchid you had ever seen, a 5-pound box of chocolates, and a bottle of your favorite cologne? Well, this happened to lovely Diane Bunch and I don't know what Diane said or did, but much to her embarrassment, she suddenly remembered that it was her fourth wedding anniversary!!!

Long remembered will be the bridge party held by Mrs. N. Cowan. During the delicious luncheon of chicken salad, home made rolls and home made ice cream, coffee and iced tea, three teen-age youths practicing to appear on a television program serenaded the group with their favorite songs. After lunch, Mrs. K. Tompson, Mrs. L. Koenig, Mrs. D. Taylor, Mrs. C. Andrews, Mrs. J. Russell, Mrs. M. Hall and Mrs. W. Wright with hostess Cowan played bridge. Mrs. J. Russell won the first prize of a pair of tickets to "The Desk Set" while Mrs. L. Koenig took home baby prize, a bottle of deodorant.
